

ADULT EDUCATION PROGRAMS

Evening schools shall be established and maintained according to the provisions of the statutes of the Commonwealth and under such regulations as the committee may from time to time prescribe.

Any person in the city not attending day school who does not have a high school diploma is encouraged to continue his/her education in the evening school. High school diplomas from the evening school are awarded upon successful completion of required courses and accumulation of sufficient credits, and the recommendation of the superintendent of schools. The minimum course and credit requirements are identical to those of the day high schools.

The school committee will establish registration fees for resident and non-resident students.
