

ADMISSION OF RESIDENT STUDENTS

Children of school age who actually reside in the City of Westfield will be entitled to attend the public schools regardless of the residence of their legal guardians. The only exception involves children residing in the city for the express purpose of attending school in Westfield. Enrollment may then be conditioned upon the payment of tuition to be established by the school committee.

The district will also pursue tuition reimbursement in accordance with the laws relating to the placement of children within the community by custodial agencies.
