

## TRANSPORTATION

The Westfield Public Schools will provide transportation for elementary school students (K-4) residing more than one and one-half miles from the school they are entitled to attend.

Grade 5-6 students, Grade 7-8 students, and high school students will receive transportation if they reside more than two miles from the school they are entitled to attend.

Exceptions to the above will be considered on an individual basis. This policy is subject to future school committee revisions based on funding available for pupil transportation.
