**PARENT/GUARDIAN**

By signing this form, you acknowledge that you have given your child permission to transport themselves to and from school sponsored events, clubs, activities, and educational programs. You agree that you and your child assume the risk of any harm, injury, or death resulting from your child's operation of their own vehicle and you and your child agree to hold the Westfield School District free from any and all liability. You understand the student and their vehicle are not covered under the School's automotive liability coverage when driving their own vehicle, and you agree that you and your child will be solely responsible for any damage or injury to others resulting out of your child's self-transportation to school events, clubs, activities, and educational programs.

**STUDENT**

By signing this form you agree to assume the risk of any harm, injury, or death resulting from your vehicle operation and you agree to hold the Westfield School District free from all liability. You understand you and your vehicle are not covered under the School's automotive liability coverage, and you agree that you and your parent/guardian will be solely responsible for any damage or injury to others resulting out of your self-transportation to school events, clubs, activities, and educational programs.

You further agree that you will be the sole driver of the vehicle when transporting yourself to school events, clubs, activities, and educational programs and you **will not let anyone else ride in or occupy the vehicle while traveling to or from any District-sponsored activity.**
