

Westfield Public School  
Department of Physical Education  
Sports Contract  
Year:

The purpose of this Sports Contract option is to allow juniors and seniors, who participate in an interscholastic sport, to opt out of the physical education requirement in accordance with the policy of the Westfield Public Schools. To take advantage of this option the student must enroll in a full year academic course with approval of the building principal or his/her designee. One sport is equal to one physical education semester. Participation in an interscholastic sport does not count as credit towards graduation requirements. If the student athlete fails to complete the sport season, he/she then must fulfill the physical education graduation requirement.
