

Policy Adoption

Any changes in adopted policies shall be proposed in writing at a regular or special school committee meeting and then adopted at a subsequent regular school committee meeting.

Prior to the meeting, all School Committee members will receive copies of proposed policy changes.

In the case of any emergency, a policy change may be given temporary approval at the meeting at which it is originally proposed subjected to final approval at the next regular meeting.

Policies will be effective upon the date set by the School Committee. This date will ensure that affected persons have an opportunity to become familiar with the requirements of the new policy prior to its implementation.
